

Evaluation for the programming task P01 (10 Points)

Deadline: 01.Dec. 2016, 08:00 a.m.

This list gives a short overview about the scoring of programming assignments.

English		Deutsch	
correctness/completeness	(5)	Korrektheit/Vollständigkeit	(5)
documentation solution (one page)*	(1)	Doku. Lösungsweg (eine Seite)	(1)
documentation source code	(1)	Doku. Quellcode	(1)
Form**	(1)	Form	(1)
Comprehensible	(1)	Nachvollziehbarkeit	(1)
punctual submission (max. +1 day)	(1)	Pünktliche Abgabe (max. +1 Tag)	(1)

* how does the program work and how can I use it? (like user guide)

** is the source code structured well?

Note:

Plagiarism of any kind is prohibited!

It is not allowed to use any third-party libraries that substantially reduce the complexity of the programming assignment, except an HTML parser and Lucene.
